Get ready to celebrate
A message from the Director of Alumni Relations

Dear Fellow Polar Bears,

If you haven’t already experienced a Bowdoin Reunion, now’s the time! If you have, you know this incredible weekend is one of the greatest things about being part of our extended family, but it only comes around once every five years for your class.

Reunion, June 2-5, is your opportunity to let loose and laugh with old friends, forge new connections, and immerse yourself in the entertainment, activities, food, and fun that reverberate across campus during this special weekend. Because this is the last of many celebrations to mark Clayton Rose’s first year as president, we expect it will be one for the storybooks!

This brochure provides an introduction to all that’s happening, and additional details will be made available—in print and online—later this spring. Go to bowdoinreunion.com for more on events, registration, housing, discounts, and other information to help plan your trip.

The time to celebrate is June 2-5—I look forward to seeing you here in Brunswick!

Registration

To register online, go to bowdoinreunion.com. Downloadable class registration forms are also available on the Reunion website.

Bowdoin strives to make participating in Reunion as affordable as possible. The College substantially subsidizes the cost of Reunion Weekend, and registration rates this year are lower than they were five years ago! Plus, kids are now free!

Upon arrival at the Reunion Welcome Center, all registered alumni will receive a piece of memorabilia to help celebrate the return to campus. Please register by Thursday, May 19, to ensure you receive your item.

By registering, all individuals agree that Bowdoin College may take photos and video of them at Reunion events, and may publish them in any format or media without additional permission from any individuals featured.

Cancellations
If cancellation of a Reunion reservation or on-campus room is necessary, contact the Office of Alumni Relations at reunion@bowdoin.edu or 207-725-3266. Individuals will be reimbursed in full for cancellations made prior to Thursday, May 19.

Accessibility
Bowdoin College is committed to making its campus accessible to persons with disabilities. However, not all areas of campus are fully accessible. Individuals who have special needs should contact the Office of Alumni Relations at reunion@bowdoin.edu or 207-725-3266.

The Reunion Weekend mobile app and schedule will be available in late April 2016.
